To whom it may concern:

We are writing in support of the TLM Level 2 qualification listed below:

*** Qualification Title* TLM Level 2 Certificate in User Skills and Digital Technologies**

*** Qualification Number* 603/2817/4**

The qualification offers an excellent range of theory and practical skills in IT which we feel would be beneficial for young people coming to our organisation for employment or apprenticeship programmes/college 6th form for Level 3 or apprenticeship courses.

We have helped in the development of this qualification and feel that it is well suited to the changing digital sector.

Kind regards,

Andrew Griggs.
